PARKING FOR DOWNTOWN TEMPE EMPLOYEES:

Many employees have monthly parking permits which are color coded (see references below). In general, all employees should allow additional time to park during the event.

Downtown Tempe Authority, who produces the event and also manages parking in many of the downtown Tempe locations, will work with employees to meet their parking needs reasonably; however, it is the responsibility of all employees to make sure that they have secured their own parking permits.

Employees that normally park in private lots that are unavailable as a result of the event will be eligible to replacement parking permits valid in the 5th & Farmer Lot only.

- The 5th & Farmer Surface Lot will be open for Permit Parking only.
- On-Street Parking and small off street lots within the event perimeter will close between 7:00 am and 5:00 pm on Thursday, November 29. All on-street parking on Mill Avenue will close at 4:30 p.m.
